LITRES  
PSU1000L

Powerwash Super is ideal for achieving the maximum level of high performance cleaning power, or for maximum economy when diluted to make general use TFR

**STRENGTH GUIDE:  
HEAVY**

- ✓ **READY TO USE:** Heavy duty TFR, ideal for application through pressure washer, gantry wash or spray arch cleaning systems
- ✓ **HIGH PERFORMANCE:** For use on all types of commercial vehicles and plant equipment, is also ideal for use on engines, chassis and components
- ✓ **ECONOMICAL:** Because of its concentrated formula, a 25 litre Powerwash Super can also be diluted to make up to 200 litres of general purpose TFR
- ✓ **FREE RINSING:** Leaves a non-smear, streak-free finish
- ✓ **HIGH DETERGENCY:** The high detergent formulation of Powerwash Super offers superior cleaning power
- ✓ **VARIETY:** Available in a variety of sizes, offering increasing economy when purchased in volume

## Powerwash<sup>®</sup> NON-CAUSTIC

TFR FOR HIGH QUALITY &  
SENSITIVE SURFACES

**25**  
LITRES  
PNC25L

**200**  
LITRES  
PNC200L

Powerwash Non-Caustic is a gentle action TFR formulated to remove dirt and grime from sensitive paintwork and finishes

**STRENGTH GUIDE:  
LIGHT/MEDIUM**

- ✓ **READY TO USE:** No need for pre-diluting, offering maximum cleaning power and convenience
- ✓ **NON-CAUSTIC FORMULA:** Gentle yet effective on paintwork, ensuring no colour fading or dulling of shine
- ✓ **VERSATILE:** Can be used on all vehicle types for general cleaning
- ✓ **SUPERIOR FINISH:** Powerwash Non-Caustic gives a deep gloss shine to paintwork
- ✓ **FRAGRANCED:** Citrus fragrance, ideal for customer friendly environments
- ✓ **COMPATIBLE:** Suitable for use with all hot and cold cleaning systems

## Powerwash<sup>®</sup> WASH & WAX

SUPERIOR CAR SHAMPOO  
& CONDITIONER

**25**  
LITRES  
PWW25L

**200**  
LITRES  
PWW200L

Powerwash Wash & Wax cleans cars and vans to leave a deep gloss shine

**STRENGTH GUIDE:  
LIGHT/MEDIUM**

- ✓ **ADVANCED DETERGENT FORMULATION:** Carefully removes all dirt and grime, without harming paintwork, glass and trims
- ✓ **NEUTRAL pH FORMULA:** The advanced neutral pH formula ensures no colour fading or dulling, adding a deep glossy shine to your vehicle
- ✓ **VERSATILE:** Suitable for use with all types of car wash equipment, makes an ideal hand wash shampoo
- ✓ **NON-SMEAR:** Contains special free rinsing additives, ensuring vehicles are left without streaks or smears
- ✓ **ECONOMICAL:** Typical hand wash solution requires only 1:100 parts water
- ✓ **NON IRRITANT:** Specially designed to be safe to use by hand, reducing the risk of irritation
